

Little KneLLies

Nursery @ The Abbey

Cave Painting

Do you have any cardboard boxes lying around? If so, then why don't you try out this fun activity and use a large box for your 'Cave'. You could draw pictures of animals, use finger paint, make handprints and make different patterns. To really experience being a cave person, you could tie brown towels and blankets around you to look like animal hides.

You will need:

- Large cardboard boxes
- Markers
- Finger paints or other washable paints
- Brown blankets or towels
