

Handprint Fish Puppets

These handprint fish are really easy to make and they are also really fun to play with.

You will need:

- Scrapbook, decorative or coloured paper
- Gems and stickers
- Glue
- Jumbo lolly sticks
- Scissors
- Googly eyes

1. Draw around your hand on the paper and cut out.
2. Cut out some heart shaped lips .
3. Decorate your fish with gems, stickers or anything else you want.
4. Stick on one googly eye.
5. Glue the fish to the lolly stick and they are ready to be played with.
