

## Build a Dinosaur

How would you like to create your own dinosaur? Or you could try and recreate a dinosaur?

You will need:

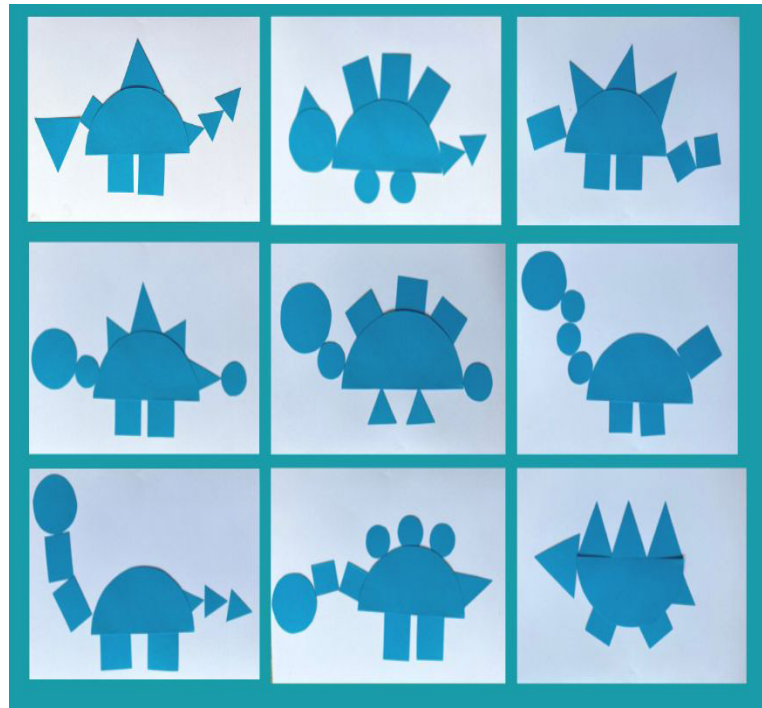

- Craft Foam or Paper
- Scissors
- Shapes to draw and cut around
- Glue

1. Cut out the following shapes from foam or paper:

- 1 big half circle
- 1 medium triangle
- 1 medium square
- 1 medium circle
- 3 small rectangles
- 3 small long triangles
- 3 small squares
- 4 small triangles
- 3 small circles

2. Using the guide, arrange the shapes to look like a dinosaur or create your own

3. If you would like to keep your dinosaur then stick the shapes to a piece of paper

Can you make a T-rex, Triceratops, Velociraptor, or a Stegosaurus ?

Will you create a new dinosaur? What's its name? What does it eat?
