

## Family Handprint Art

This is a super easy activity to do and an effective piece of wall art to display in your own home or give as a gift.

### You will need:

- Water based paints
- Paintbrush
- Card
- Pen
- Picture frame

To create the artwork, you need to:

1. Gather the family members that you want to include in your picture
2. The hands will be printed from biggest to smallest and then darkest to lightest, so work out who will go first and then choose a colour and paint your hand with a paintbrush
3. Leave to dry
4. If you wish, you can write down who is in the picture and the date
5. Frame the picture

You could create multiple pictures that include you and your grandparents, siblings, cousins and even add your pet into it as well.
