Junk Modelling

Recycling is very important and there are so many fun ways you can create something new out of something old. You can be as creative as you want – there are no rules!

You could try making; animals, transportation, robots, rockets, doll or fairy house, musical instruments and so much more.

Keep a box of your recycling at home and make sure it is clean. These are some items that are great for junk modelling but the list is endless and you can use anything.

You will need:

- Egg cartons
- Milk bottles and lids
- Soft drink bottles
- Toilet & Kitchen tubes
- Cardboard boxes
- Tissue boxes
- Food containers
- Disposable cups, plates and cutlery
- Lollipop sticks
- Newspapers

You may also need some of these:

- Glue
- Tape
- Scissors
- Paint
- String
- Paper
- Elastic bands
- Card
- Googly eyes
- Pens
