

## Painting with Dinosaurs

If you have dinosaurs at home then this is a really fun activity to do.

You will need:

- Dinosaurs
- Water based paint
- Paper
- Paper plate or palette

To create, you need to:

1. Its best to use a large piece of paper for this. You could even use some cardboard.
2. Squeeze some paint onto your piece of paper or on a separate paper plate or paint palette.
3. Let your dinosaurs roam free as they walk through the paint and leave their footsteps behind.
